# SATURN RETURN

USING THE WISDOM OF TAROT

# WHAT IS YOUR SATURN RETURN?

A Saturn Return happens when Saturn returns to the exact degree it was in when you were born—a cycle that takes about 29.5 years. This astrological milestone marks a time of massive personal growth, challenges, and transformation.

*Keywords-Mastery, Ambition, Patience, Discipline, Limiting, Structure, Long-Term*

## Saturn Returns Typically Happen at:

Ages 27-30 → Your first Saturn Return

Themes may include:  
major life restructuring—career, relationships,  
identity shifts, time to “grow up”.

Ages 57-60 → Your second Saturn Return

Themes may include:  
wisdom, legacy, redefinition of purpose,  
becoming “The Elder”, teaching, mentoring

Ages 86-89 → Your third Saturn Return

Themes may include:  
spiritual reflection, deep wisdom integration

# WHAT DOES A SATURN RETURN FEEL LIKE?

Your Saturn Return isn't here to turn your life upside down; it's more about waking you up and helping you connect with your true self. Sure, Saturn can be a bit tough love with its lessons and reality checks, but think of it as a nudge to get you on the right path. It's all about finding your balance and embracing the growth that comes with it. Think of Saturn as a teacher, a disciplinary and as practical guide. Saturn wants us to grow up and take steps toward success.

## **COMMON SATURN RETURN THEMES:**

*Major career shifts*

*getting serious about your purpose or changing careers*

*Relationship endings or new commitments*

*marriage, breakups, deeper connections*

*Facing fears & personal limitations*

*Saturn pushes you out of your comfort zone*

*Financial lessons*

*learning responsibility, saving, or restructuring wealth*

*Feeling lost or questioning your identity*

*Who am I? What do I want? What's next?*

*Lessons on Maturity or Accountability*

## **SATURN IS A STERN, BUT WISE TEACHER THAT DOESN'T LET YOU SKATE BY.**

*If something in your life isn't aligning, it will prompt you to confront it. While the process may feel challenging, it's also a valuable opportunity for growth and self-discovery. Embrace this time open to change and you'll emerge with a clearer sense of purpose and direction.*

Before you draw your Tarot cards, take a moment to center yourself and set your intention. Hold these questions below in your mind, then shuffle the deck. Pay attention to any intuitive pulls or shifts in energy. When you feel ready, either cut the deck or fan the cards out and intuitively select the ones that stand out to you. Trust your instincts, whether you pick cards that pop out, or feel drawn to specific ones. Remember, there's no wrong way—just allow the process to flow naturally, trusting that the cards you draw will bring the insights you need.

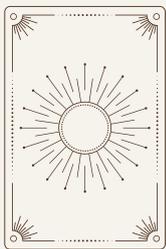

**Card 1-What is the primary challenge I will face during my Saturn Return?**

**Card 2-What is Saturn trying to teach me?**

**Card 3-What old pattern or belief do I need to release in order to grow?**

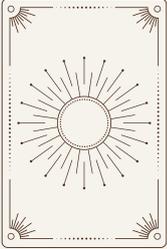

**Card 4-What steps should I take to fully embrace the transformation of my Saturn Return?**

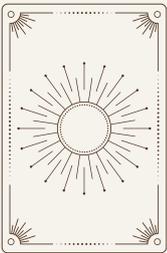

## *Quick Tips for Working with These Spreads:*

- **Use Journaling:** After each reading, journal your thoughts and any reflections that come up. Write down the actions you can take to align with Saturn's energy.
- **Embrace Patience:** Saturn is a slow-moving planet, and its lessons take time to integrate. Approach these spreads with patience and trust the process.
- **Take it Lightly:** Saturn's lessons can feel heavy. View these spreads as your personal compass for growth, rather than a rigid roadmap.
